(b) words importing a gender include any other gender;

(c) words importing persons include a partnership and a body whether corporate or otherwise;

(h) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form in respect of that word or phrase has a corresponding meaning.

2.2 This Contract operates subject to the Act. If there is any conflict between this Contract and the Act, the Act prevails.

3 Entire Agreement and Variation
3.1 This Contract, including Schedules, the Project Application and the Guidelines constitutes the entire agreement between the parties and supersedes all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Contract.

3.2 If any part of this Contract conflicts with any other part, that part higher in the following list shall take precedence:

(a) the terms and conditions of this Contract;
(b) the Schedules;
(c) the Guidelines; and
(d) the Project Application.

3.3 The Institution and the Commonwealth may agree to vary this Contract. A variation to this Contract must be in writing and signed by both parties.

4 Funding Period

Subject to clause 5 of this Contract, the Funding period is from 1 January to 31 December of the year(s) set out in Schedule A for each Project, unless the Funding is terminated earlier.

Non-government-related entities, which are liable to pay GST on this transaction with the ARC, will receive a base-funding amount and an additional amount to cover the GST.

5.3 The duration of the funding for Linkage—APD (CSIRO) is indicative only of the intent of the Minister at the time of making the offer of Funding and is not binding on the Commonwealth. In the event that the Minister subsequently makes a determination under section 51 of the Act to continue the Funding, this Contract will continue to apply to any Fellowships granted financial assistance under such a determination.

5.7 The Commonwealth will not provide additional funding for any Project set out in Schedule A except where allowed for under clause 5.4 and 5.5.

6 Accuracy of Information/Malpractice

The Institution warrants that the information contained in all Project Applications is accurate and not misleading. The Commonwealth regards inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other sources and false claims in the publication record, e.g. describing a paper as being published even if it has only been submitted.

The Commonwealth will not reimburse the Institution for such costs under any circumstances.

10 Agreement between CSIRO and the higher education institution

10.1 Regardless of whether the Institution is CSIRO or a higher education institution, the Institution must not allow a Project to commence, nor Funding to be expended, until CSIRO’s relevant Division and the higher education institution have entered into a written agreement that specifies that both organisations agree to comply with this Contract and which also includes conditions about:

(a) the role of both organisations in the Project; and
(b) Intellectual Property arrangements.

10.2 If the higher education institution and the CSIRO Division are not able to come to an agreement by the final date for commencement, as specified in clause 11, the Project must be terminated.

11 Commencement of Projects and Fellowships

Subject to clause 12 below, all new Projects and Fellowships must commence by 31 August in the first year of the Funding. Failure to do so will result in the withdrawal of the Funding and termination of any individual Projects which have not commenced.

12 Deferment of Commencement of Project and/or Fellowship

12.1 If the Institution wishes to defer commencement of a Project and/or Fellowship, a written request seeking permission to commence between 31 August and 31 October in the first year of the Funding, justifying the requested deferral in terms of special circumstances, must be made to the Programme Coordinator, through the Institution’s Research Office prior to 31 August in the first year of the Funding.

12.2 The Institution must not defer commencement of the Project or the Fellowship unless the Institution has received written permission from the ARC, based on a decision made by the Minister.

12.3 Any Projects which have not commenced by 31 October will be terminated and the funding recovered.

13 Specified Personnel
13.1 The Institution shall ensure that the Specified Personnel will conduct the Project in a diligent and competent manner and will comply with this Contract.

13.2 The Institution shall provide each Chief Investigator with a copy of this Contract within a reasonable time after the beginning of the Funding.

14 Change of Specified Personnel

14.1 If a Chief Investigator is at any time during the term of a Project no longer able to continue the Project, the Project may be continued under another Chief Investigator provided that:

(a) he/she meets the eligibility criteria, as specified in the Linkage—APD (CSIRO) Guidelines for funding commencing in 2003;
(b) the Project retains at least one Chief Investigator from CSIRO and one Chief Investigator from the relevant higher education institution;
(c) approval is sought from the Programme Coordinator for the change in Specified Personnel:
   i. in writing (including the proposed Personnel’s Curriculum Vitae); and
   ii. within three months of the date that the Specified Personnel ceased working on the Project; and
(d) the change has prior approval, in writing, by the Minister.

14.2 Failure to fulfill the requirements set out in clause 14.1 will result in immediate termination of the Project.

14.3 If an APDC Fellow is no longer able to continue the Project, the Project will be terminated, as the APDC Fellowship cannot be transferred to another person.

15 Transfer of Project or Fellowship

15.1 Under Section 54 of the Act, Ministerial approval is required for transfers of Projects and Fellowships to another institution.

15.4 Where the proposed arrangements include a transfer of the Funding from one institution (‘the relinquishing institution’) to another institution (‘the recipient institution’), the Minister shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the Minister considers appropriate. The written request must include evidence that the following parties agree to the transfer:

(a) the relinquishing institution;
(b) all Specified Personnel on the Project; and
(c) the recipient institution.

15.5 When the ARC receives a proposal requesting the transfer of Funding it will:

(a) seek the Minister’s approval for the transfer of unspent Funds and indicative Funding in Schedule A for the Project and any identified Assets to the recipient institution; and

(b) vary the relevant funding contract, or enter into a new funding contract with, the relevant institutions, once Ministerial approval is granted.

15.6 Once approval has been granted to transfer the Funding:

(a) the relinquishing institution must:
   i. inform the ARC, in writing, of the amount of unspent Funds for the Project and pay the ARC such unspent Funds. The ARC will then provide the unspent Funds to the recipient institution;
   ii. identify the transfer in its Exceptions Report;
   iii. report expenditure of Funding for the Project prior to the transfer in its End of Year Report and identify the transfer in the ‘Notes’ column; and
   iv. vary the relevant funding contract with the ARC and its arrangements regarding the Project with CSIRO or the higher education institution (as the case may be) accordingly; and

(b) the recipient institution must:
   i. include the Project in its Exceptions Report;

   iii. vary the relevant funding contract, or enter into a new funding contract, with the ARC accordingly; and
   iv. vary its arrangements regarding the Project with CSIRO or the higher education institution (as the case may be), or enter into new such arrangements, accordingly.

15.7 If the Chief Investigator or a Fellow changes Institution and the Minister’s approval is not given for arrangements for the continuation of the Project and the continued administration of the Funding, the Project may be terminated.

15.8 Relocation expenses will not be paid on the transfer of any Specified Personnel from the relinquishing institution to the recipient institution.

16 Negation of Employment by the Commonwealth

      ii. any unspent funds that the Institution is seeking to have carried over into the next year; and
      iii. the reasons why the unspent funds are required to be carried over.
(c) Under subsection 58(e) of the Act, Funds provided by the Commonwealth to the Institution which are not spent during the year of the Funding period to which those funds were allocated may be carried over where approved by the Minister. The Institution must request this approval in the End of Year Report.

(d) Where a carry over of 75% or more of the Funding provided is requested, separate written justification must be provided.

(e) Funds will be carried over for more than twelve months only in exceptional circumstances. Separate written justification must be provided in this instance.

27.4 Progress Report

(a) The Institution shall ensure that all Chief Investigators and Fellows provide an annual Progress Report in respect of each ongoing Project by 31 January of each year, except in the first year of funding, on a proforma available on the ARC’s website. The ARC will review the outcomes against the objectives of the Project as stated in the Project Application, or any approved revised budget, aims and research plan. Any Chief Investigator or Fellow whose Progress Report is deemed inadequate or unsatisfactory will be contacted for further information.

(b) If the ARC is not satisfied with the progress of the Project, further payment of funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved, the Funding will be terminated and all outstanding monies recovered by the ARC.

(c) Unsatisfactory progress on the Project will be noted against any further applications under any ARC scheme submitted by, or on behalf of, the Chief Investigator or Fellow and will be taken into account in the assessment of those applications.

27.5 Final Report

(a) The Institution shall ensure that Final Reports are provided for each Project within six months of the final payment of the Project (including any approved carry forward). The proforma for this report will be available on the ARC’s website. The ARC will review the outcomes against the objective(s) of the Project as stated in the Project Application or any approved revised budget, aims and research plan.

(b) If a Final Report is deemed inadequate, the Chief Investigator or Fellow will be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this will be noted against any further Project Applications under any ARC scheme submitted by, or on behalf of, the Chief Investigator or Fellow and will be taken into account in the assessment of those applications.

(c) If the Final Report is not submitted on time this will be noted against any further Project Applications under any ARC programme submitted by, or on behalf of the Chief Investigator or Fellow and will be taken into account in the assessment of those applications.
(d) Applications under any ARC programme submitted by, or on behalf of a Chief Investigator or Fellow on a Project for which the Final Report is outstanding will be deemed ineligible.

27.6 Audited Financial Statement

(a) In accordance with section 58 of the Act, the Institution shall submit an Audited Financial Statement by 30 June of the year following the calendar year for which the Funding was awarded. The Statement must comply with any guidelines that DEST may issue and are in force from time to time for the preparation of annual financial statements by Australian higher education institutions.

(b) In completing the Audited Financial Statement, the Institution must ensure that the amount shown in that statement as 'approved carry forward funds' is the same as the amount (if any) that the Institution sought and approval was given to carry over in the End of Year Report.

28 Copyright in Reports

28.1 Copyright in all reports required by this Contract will vest in the Institution at the time of creation but the Institution grants to the Commonwealth a permanent, irrevocable, royalty-free, non-exclusive licence to use and reproduce these reports and publish them on a non-profit basis. The Commonwealth’s licence is subject to the requirements of clause 28.2 below.

28.2 The Commonwealth warrants that, for a period of three years from the date of submission of the Final Report for the Project, it will seek the agreement of the Institution before any information which is contained in any reports related to the Project, and which the Institution indicates is confidential and should not be disclosed, is disclosed to any person other than an officer or a member of the ARC or the Minister.

29 Recovery of Unspent Funds or Overpayments of Funds

29.1 Any unspent Funds may be recovered by the Commonwealth under subsection 58(1)(e) of the Act. Any overpayment of Funds made to an Institution may be recovered under subsection 58(1)(d) of the Act.

29.2 The Commonwealth may offset the unspent or overpaid Funds against the total of any further Funds payable to the Institution.

30 Indemnity

30.1 Subject to this Contract, the Institution shall at all times indemnify and hold harmless the Commonwealth, its officers, employees and agents (in this clause referred to as ‘those indemnified’) from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability, reasonably incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person against any of those indemnified where such loss or liability was caused by a willful, unlawful or negligent act or omission of the Institution, its employees, agents or subcontractors in connection with this Contract.
30.2 The Institution’s liability to indemnify the Commonwealth under clause 30.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.

30.3 The indemnity referred to above shall survive the expiration or termination of this Contract.

31 Insurance

The Institution shall effect and maintain adequate insurance or similar coverage to cover any liability arising as a result of its participation in Linkage—APD (CSIRO) and, if requested, provide the Commonwealth with a copy of the relevant policies, appropriate Certificate of Currency or such other insurance documents as may be reasonably required by the Commonwealth. The Institution shall be responsible for effecting all insurances required under Worker’s Compensation legislation and for taking all other action required as an employer.

32 Termination

32.1 If the Institution fails to comply with any of the obligations contained in this Contract then the ARC may terminate the Funding and, in accordance with Section 58 of the Act, require the Institution to return all or some of the Funds to the Commonwealth.

32.2 The Institution must terminate a Project:

(a) where progress is not, in the opinion of the Responsible Officer, satisfactory; or

(b) on the death, incapacity, resignation or withdrawal of any Specified Personnel unless suitable alternative arrangements, satisfactory to the participating researchers and approved by the Minister, can be made by the Institution for the continuance of the Funding; or

(c) where all parties have agreed to the termination of the Funding.

32.3 Upon termination of the Funding under clause 32.2 above:

(a) the Institution shall take all action necessary to minimise further expenditure under the Funding; and

Research Special Conditions

C1. **Importation of Experimental Organisms:** The Institution must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, they or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.

C2. **Research Involving Humans or Animals:** If any Project conducted by the Institution involves research on or involving humans or animals, the Institution shall ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Institution’s Ethics or Biosafety Committee (or equivalent) and from any other relevant authority outside of the Institution.

C3. **Deposition of Biological Materials:** Any biological material accumulated during the course of a Project shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Institution shall dispose of the material in accordance with the Institution's established safeguards.

C4. **Genetic Manipulation:** If a Project involves the preparation and/or use of recombinant nucleic acids constructed *in vitro* from sources that do not ordinarily recombine genetic information, approval in writing by the Institution’s Biosafety Committee (or equivalent) or the Genetic Manipulation Advisory Committee (GMAC) must be obtained.

C5. **Recombinant DNA techniques:** If a Project involves, or is concerned with the use of recombinant DNA techniques, the Institution shall ensure that the principles and guidelines established and approved from time to time by the Australian Government’s Recombinant DNA Monitoring Committee are observed.

C6. **Recombinant DNA techniques on animals or humans:** If a Project involves or concerns the use of recombinant DNA techniques on animals or humans then, before the proposed research commences, the Institution shall ensure that the research has been approved by the relevant Ethics or Biosafety Committee (or equivalent) of the Institution. The Institution shall retain all Certificates relating to the above and will provide such evidence to the Programme Coordinator if required to do so.

C7. **Ionising Radiation:** If a Project involves the use of ionising radiation, the Institution shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. The Institution shall retain all such licences and shall provide them to the Programme Coordinator if required to do so.

C8. **Social Science Data Sets:** Any machine-readable data arising from a Project involving research relating to the social sciences should be lodged with the Australian Consortium for Social and Political Research Inc. (ACSPRI) or any other appropriate archive for secondary use by other investigators. This should normally be done within two years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the two-year period, s/he should include the reasons in the Project's Final Report.
SCHEDULE D

Special Conditions

D1 Australian Postdoctoral Fellowship (CSIRO)

D1.1 The Institution must provide from the Funding to each Australian Postdoctoral Fellowship (CSIRO) holder named on the Project at least the ARC notional APD Fellowship salary and on-costs as listed in Schedule B.

D1.2 Subject to clause 5.3, the tenure of an APDC Fellowship is three years and is subject to the receipt of satisfactory Annual Progress Reports. The Fellowship will not be extended beyond three years.

D1.3 The Institution shall make up any shortfall between the ARC notional APD Fellowship salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than these Funds, so that the APDC Fellows are no worse off financially than other academic staff at a similar level at the Institution.

D1.4 APDC Fellows may compete for an Australian Research Fellowship or Queen Elizabeth II Fellowships in the last year of their current Fellowship.

D2 Use of the Funding – other expenses

D2.1 The Institution must make reimbursement payments from the Funding to APDCFellows for relocation costs (travel expenses (see clause D2.2 below) and removal of household items only) on provision of full particulars of mode and time of travel and the receipts for all other payments e.g. removal expenses of household items.

D2.2 The Institution shall ensure that the total amount of travel expenses (excluding the cost of removal of household items) claimed does not exceed the cost of the cheapest direct airfare for the APDC Fellow and their dependants. Where a Fellow elects to travel by car, the ARC will provide a mileage allowance up to the maximum equivalent of the cheapest direct airfare. On completion of the APDC Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.

D2.3 Reimbursement of relocation costs will be provided to the Institution by the ARC on the basis of a claim submitted as part of the Exceptions Report or the End of Year Report, as described in clause 28, on condition that:

(a) all relevant receipts are provided to the ARC;
(b) the claim is processed within the year the claim is made;
(c) all claims are made in Australian dollars; and
(d) the Institution makes such claims to the ARC within 12 months.

D2.4 The Institution may reimburse APDC Fellows and claim from the ARC up to the following amounts for travel expenses and removal of household items expenses:

(a) a maximum of $15,000 for a Fellow who relocates from the USA;
(b) a maximum of $12,000 for a Fellow who relocates from UK / Europe / Asia (Northern Hemisphere);
(c) a maximum of $9,000 for a Fellow who relocates from NZ / Asia (Southern Hemisphere); and
(d) a maximum of $6,000 for a Fellow who relocates within Australia.

D2.5 For the purposes of relocation entitlements, a dependant is defined as a person who moves residence with the APDC Fellow. A spouse who transfers employment to the city of the Institution can be regarded as a dependant. A child continuing to study at the former city and not intending to live with the Fellow cannot be regarded as a dependant.

D3 Conditions of Employment and Recognition of APDC Fellows

D3.1 APDC Fellows may not hold another position either at the Institution or at another Institution. The Institution must confirm that successful applicants have formally resigned from their positions before taking up Fellowships at the Institution.

D3.2 The Institution shall recognise APDC Fellows as academic staff and incorporate them fully into the activities and academic life of the Institution, but should note that limits do apply (see clause D3.3). Unless the Minister otherwise determines, the provision of salaries, recreation leave, sick leave and other conditions of employment for Fellows shall be those of the Institution.

D3.2A The Institution must ensure that any Personnel who are employed full-time on the Project and whose salary is provided from the Funding shall not, without the prior agreement of the Minister, accept any remuneration whatsoever from any source other than the Institution in respect of work performed on the Project.

D3.3 Additional academic duties, including research supervision, are not discouraged but should enhance, rather than detract from, the Fellows' research. Fellows may not accept additional appointments or remuneration without the prior agreement of the Institution and the Minister.

D3.4 The Institution shall ensure that, during the tenure of the APDC Fellowship, a Fellow shall be entitled to leave of absence for recreation at the rate of four weeks per annum, to be taken at any time by arrangement between the Fellow and the Institution. However, the ARC will not provide additional funds to cover accrued leave proposed to be taken after the Fellowship period has expired. Fellows should therefore take their recreation leave during the period of Fellowship tenure.

D3.5 The Institution shall ensure that eligible APDC Fellows are entitled to up to twelve weeks' paid maternity leave, in addition to the duration of their Fellowship. The ARC will provide up to twelve weeks' additional funding, where necessary, for this purpose. The mechanism for claiming the additional funding for this purpose is the End of Year Report.

D3.6 The APDC Fellow may take a total of twelve months' leave through the duration of the Fellowship where it is in accordance with the Institution's practice, using accrued leave or leave without pay.

D4 Infrastructure

The Institution shall provide APDC Fellows with the same access to infrastructure funds as applies to academic staff at the same level within the Institution and afford them equal status with similar staff for the provision of accommodation, access to necessary laboratory and workshop facilities, adequate time on the Institution’s computer and other equipment, stationery, photocopying and typing services. Institutions are also required to provide reasonable time on major equipment necessary for the conduct of the Fellow’s research programme.
D5  **Relinquishment of Fellowship**

D5.1  The Institution shall require APDC Fellows to give one month's notice to the Institution if they intend to relinquish the Fellowship. The Institution shall advise the Programme Coordinator of the relinquishment of the Fellowship immediately so that an offer can be made to the next reserve.

D5.2  Relinquished Fellowships must be reported in the End of Year Report.

D6  **Suspension of Fellowship**

D6.1  An APDC Fellow may apply for a suspension of the Fellowship for a period of up to twelve (12) months in total during the tenure of the Fellowship. This may occur if, for example, a Fellow is offered a short-term teaching or research position. In such a case, the work to be carried out would need to be closely related to the research being undertaken under the Fellowship.

D6.2  Applications for suspension for up to six (6) months may be approved by the Vice-Chancellor or his/her nominee unless they occur in the first year of the APDC Fellowship.

D6.3  An APDC Fellow wishing to suspend for more than six (6) months, or during the first year, must apply through the Research Office to the Programme Coordinator seeking the Minister’s approval to suspend the Fellowship. Unless there are extenuating circumstances, a suspension will not normally be granted in the first year of the Fellowship.

D6.4  A suspension for more than six (6) months that commences without the written permission of the Minister may result in the immediate termination of the relevant Fellowship.
