3 Entire Agreement and Variation

3.1 The Schedules and the *Federation Fellowships: Funding Rules for applicants for funding commencing in 2004* form part of this Agreement. If any part of this Agreement conflicts with any other part, that part higher in the following list shall take precedence:

(a) the terms and conditions contained in the clauses of this Agreement;
(b) the Schedules;
(c) the *Federation Fellowships: Funding Rules for applicants for funding commencing in 2004*.

3.2 This Agreement, including Schedules, will constitute the entire agreement between the parties and supersede all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Agreement.

3.3 The Institution and the Commonwealth can agree to vary this Agreement. To be legally binding any variation must be in writing and signed by both parties.

4 Funding Period

Subject to this Contract and the Act, the Funding is for the period set out in Schedule A, unless the Funding is terminated earlier.

5 Payment of Funding

5.1 Subject to parliamentary appropriation, the Commonwealth shall pay the Funds, in accordance with the Act, to the Institution in the manner specified in the Schedules.

5.2 The Commonwealth will pay to the Institution, by way of financial assistance in accordance with the Act, the amount set out in Schedule A, which is exclusive of GST, where ‘GST’ has the meaning as given in Section 195-1 of *A New Tax System (Goods and Services Tax) Act 1999*. For government-related entities (such as a government funded university or research institute) there will be no GST payable on the funding transaction between the entity and the ARC. Non-government-related entities, which are liable to pay GST on this transaction with the ARC, will receive a base-funding amount and an additional amount to cover the GST.

5.3 The durations of the funding for Federation Fellowships are indicative only of the intent of the Minister at the time of making the offer of Funding and are not binding on the Commonwealth. In the event that the Minister subsequently makes a determination under Section 51 of the Act to continue the Funding, this Agreement will continue to apply to any Fellowship granted financial assistance under such determination.

5.4 The Commonwealth shall have the right to unilaterally vary the amounts set out in the Approved Proposal.

5.5 The ARC notional salary rates for Federation Fellowships as set out in Schedule A are applicable as at 1 January 2004.
5.6 The Commonwealth shall have the right to unilaterally vary Schedules to reflect annual adjustments in the ARC Salary and Allowances Provisions.

5.7 Where the Commonwealth exercises its right under clause 5.4, 5.5 or 5.6 above, it shall inform the Institution of the variation within forty-five (45) days of that variation.

6 Accuracy of Information/Malpractice

The Funding is subject to the condition that the information contained in all Fellowship Applications is accurate and not misleading. The Commonwealth will regard inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other sources and false claims in the publication record, e.g. describing a paper as being published when it has only been submitted.

7 Use of the Funding: activities and facilities

7.1 The Institution will ensure that each Fellowship described in Schedule A is carried out in accordance with this Agreement, in a diligent and competent manner, subject to the provision of indicative funds. On completion of the Fellowship, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.

Institutions are also required to provide reasonable time on major equipment necessary for the conduct of the Fellow’s research Program.

10 Commencement of Federation Fellowships

Subject to clause 11 below, all new Federation Fellowships must commence by 31 December 2004. Failure to do so will result in the withdrawal of Commonwealth funding and termination of any individual Fellowships that have not commenced.
11 Deferment of Commencement of Fellowship

11.1 If the Institution wishes to defer commencement of a Fellowship, a written request seeking permission to commence after 31 December 2004, justifying the requested deferral in terms of special circumstances, must be made to the Program Coordinator, through the Institution’s Research Office prior to 30 November 2004.

11.2 The Institution must not defer commencement of the Fellowship unless the Institution has received written permission from the ARC, based on a decision made by the Minister.

If the Federation Fellow is no longer able to continue the Fellowship, Funding will not be provided to another Fellow and the Fellowship will be terminated.

13 Relinquishment of Fellowship

The Institution shall require Fellows to give one month’s notice to the Institution if they intend to relinquish the Fellowship. The Institution shall advise the Program Coordinator of the relinquishment of the Fellowship immediately. Relinquished Fellows must be reported in the End of Year Report.

14 Suspension of Fellowship

14.1 Fellows wishing to suspend for more than six (6) months, or during the first year, must apply through the Research Office to the Program Coordinator seeking the Minister’s approval to suspend the Fellowship. Unless there are extenuating circumstances, a suspension will not normally be granted in the first year of the Fellowship.

14.2 A suspension for more than six (6) months that commences without the written permission of the Minister may result in the immediate termination of the relevant Fellowship.

15 Specified Personnel

The Institution shall ensure that the Fellow will conduct the Fellowship in a diligent and competent manner and will comply with this Agreement.

16 Over-expenditure by the Institution

Any expenditure incurred by the Institution for a Fellowship additional to the approved amount for that Fellowship specified in Schedule A in the columns headed ‘Indicative Funds,’ is the responsibility of the Institution. 21.4 The indemnity referred to in clause 21.3 shall survive the expiration or termination of this Agreement.

(b) Under subsection 58(e) of the Act, Funds provided by the Commonwealth to the Institution which are not spent during the year of the Funding period to which those funds were allocated may be carried over where approved by the Minister. The Institution must request this approval in the End of Year Report. Where the carry over of 75% or more of the Funds is requested, written justification must be given.

(c) Funds will be carried over more than twelve months only in exceptional circumstances. Separate written justification must be provided in this instance.

28.2 Progress Report

(a) The Institution shall ensure that all Fellows provide an annual Progress Report in respect of each ongoing Fellowship by 31 January of each year, on a pro-forma available on the ARC’s website. The ARC will review the outcomes against the objectives of the Fellowship as stated in the Fellowship Application or any approved revised budget, aims and research plan. Any Fellow whose Progress Report is deemed inadequate or unsatisfactory will be contacted for further information.

(b) If the ARC is not satisfied with the progress of the Fellowship, further payment of funds will not be made until satisfactory progress has been made on the Fellowship. If satisfactory progress is still not achieved, the Funding will be terminated and all outstanding monies will be recovered by the ARC.

The pro-forma for this report will be available on the ARC’s website. The ARC will review the outcomes against the objective(s) of the Fellowship as stated in the Fellowship Application or any approved revised budget, aims and research plan.

(b) If a Final Report is deemed inadequate, the Fellow will be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this will be noted against any further Project Applications under any ARC scheme submitted by, or on behalf of, the Fellow and may be taken into account in assessing funding that application.

(c) If the Final Report is not submitted on time this will be noted against any further Project or Fellowship Applications under any ARC Program submitted by, or on behalf of the Fellow and may be taken into account in assessing funding that application.
(d) Applications under any ARC Program submitted by, or on behalf of a Fellow on a Project for which the Final Report is outstanding will be deemed ineligible.

The Commonwealth’s licence is subject to the requirements of clause 29.2 below.

30 Recovery of Unspent Funds or Overpayments of Funds

Any unspent Funds may be recovered by the Commonwealth under subsection 58(c) of the Act. Any overpayment of Funds made to an Institution may be recovered under subsection 58(d) of the Act. The Commonwealth may offset the unspent or overpaid Funds against the total of any further Funds paid to the Institution.

31.2 The Institution’s liability to indemnify the Commonwealth under clause 31.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.

31.3 The indemnity referred to above shall survive the expiration or termination of this Agreement.

32 Insurance

B1. *Importation of Experimental Organisms:* The Institution must ensure that, before experimental organisms are imported into Australia for the purposes of a Fellowship, they or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.

B2. *Research Involving Humans or Animals:* If any Project conducted by the Institution involves research on or involving humans or animals, the Institution shall ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Institution’s Ethics or Biosafety Committee (or equivalent) and from any other relevant authority outside of the Institution.

B3. *Deposition of Biological Materials:* Any biological material accumulated during the course of a Fellowship shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Institution shall dispose of the material in accordance with the Institution's established safeguards.

B4. *Genetic Manipulation:* If a Fellowship involves the preparation and/or use of recombinant nucleic acids constructed *in vitro* from sources that do not ordinarily recombine genetic information, approval in writing by the Institution’s Biosafety Committee (or equivalent) or the Genetic Manipulation Advisory Committee (GMAC) must be obtained.

B5. *Recombinant DNA techniques:* If a Fellowship involves, or is concerned with the use of recombinant DNA techniques, the Institution shall ensure that the principles and guidelines established and approved from time to time by the Australian Government’s Recombinant DNA Monitoring Committee are observed.

B6. *Recombinant DNA techniques on animals or humans:* If a Fellowship involves or concerns the use of recombinant DNA techniques on animals or humans then, before the proposed research commences, the Institution shall ensure that the research has been approved by the relevant Ethics or Biosafety Committee (or equivalent) of the Institution. The Institution shall retain all Certificates relating to the above and will provide such evidence to the Program Coordinator if required to do so.

B7. *Ionising Radiation:* If a Fellowship involves the use of ionising radiation, the Institution shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. The Institution shall retain all such licences and shall provide them to the Program Coordinator if required to do so.

B8. *Social Science Data Sets:* Any digital data arising from a Project involving research relating to the social sciences should be lodged with the Australian Social Science Data Archive (ASSDA) for secondary use by other investigators. This should normally be done within two years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the two-year period, s/he should include the reasons in the Project’s Final Report.
