11.2 The Administering Organisation must not defer commencement of the Project (or IRF element of the Project) unless the Administering Organisation has received written approval from the ARC, based on a decision made by the Minister.

11.3 Any Projects which have not commenced by 31 October 2007 may be terminated and the funding recovered.

11.4 If an Indigenous Researcher Fellow is one of several Specified Personnel on a Project and the Administering Organisation wishes to commence the Project before the Fellow can commence on the project, approval must be obtained from the ARC for the Project to commence before the Fellow commences work on the Project (unless the commencement date is specified in the Proposal).

11.5 If the ARC does not consider the Project viable without the Indigenous Researcher Fellow’s contribution to the Project and the Fellow cannot commence the Project by the applicable commencement date, or by such later date approved by the Scheme Coordinator under clause 11.1 and 11.3 above, the Project will be terminated.

11.6 If the ARC considers that a Project is viable without the Indigenous Researcher Fellow’s contribution and the Fellow is unable to commence their Fellowship by the applicable commencement date, or by such later date approved by the Scheme Coordinator under clause 11.1 and 11.3 above, the Fellowship component of the Project will not be funded. Funding for fellowships may only be used to fund the person to whom the Fellowship is awarded. Fellowships are not transferable to other persons and the Funds may not be used under any circumstances to fund research personnel or research activities.

In such cases, other than where the Fellow is the only Specified Personnel, if approved by the Minister, any unspent Funding for the Fellowship component of the Project may be used for the Project for other purposes providing it is in accordance with the Proposal Description included in the Proposal. If the Fellow is the only Specified Personnel on a Project, the funding condition set out in clause 5.2(b) will not have been satisfied.

13.3 If the ARC does not consider the Project viable without the Indigenous Researcher Fellow’s contribution to the Project, and/or the remaining funding decreases to below $20,000, funding for the Project may be terminated.

14.3 Where the proposed arrangements include a transfer of the Funding from the Administering Organisation to another Eligible Organisation (‘the recipient Eligible Organisation’), the Minister shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the Minister considers appropriate. The request must provide evidence that the following parties agree to the transfer:

(a) the Administering Organisation;
(b) the recipient Eligible Organisation.

14.4 When the ARC receives a proposal requesting the transfer of Funding it will seek the Minister’s approval for the transfer of unspent Funds and indicative Funding for the Project and any Assets as outlined in clause 20 to the recipient Eligible Organisation.

14.5 If Ministerial approval is granted to transfer the Funding (and any Assets);

(a) the Administering Organisation must:
   i. agree to any variation or termination (as applicable) of this Agreement proposed by the ARC to give effect to the changed Funding arrangements;
   ii. provide to the ARC, in writing, the amount of all unspent Funds for the Project and pay the ARC such unspent Funds. The ARC will then provide the unspent Funds to the recipient Eligible Organisation;
   iii. report expenditure of Funding for the Project prior to the transfer in its End of Year Report and identify the transfer in the relevant column; and
   iv. comply with any other directions reasonably given by the ARC to give effect to the transfer;

(b) the recipient Eligible Organisation will be required to:

14.7 Relocation expenses will not be paid on the transfer of any Specified Personnel from the Administering Organisation to the recipient Eligible Organisation. Relocation costs will not be paid on the transfer of an Indigenous Researcher Fellow from the Administering Organisation to the recipient Eligible Organisation after the final date for commencement in clause 10, or after the deferred commencement date approved in accordance with clause 11.

14.8 The Project or any equipment purchased with the Funding must not be transferred to the recipient Eligible Organisation until Ministerial approval for the transfer of the Funding is granted.

15 **Negation of Employment by the Commonwealth**

(a) take reasonable care of, and safely store, any data or specimens or samples collected during, or resulting from, the conduct of their Project;

(b) make arrangements acceptable to the ARC for lodgement with an appropriate museum or archive in Australia of data or specimens or samples collected during, or resulting from, their Project; and

(c) include details of the lodgement or reasons for non-lodgement in the Progress Report and the Final Report for the Project.

19 ARC Assessments

19.1 The Administering Organisation must ensure that, for the term of this Agreement, if requested by the ARC, Chief Investigators and Indigenous Researcher Fellows agree to assess up to twenty new proposals for ARC funding per annum for each year of Funding.

19.2 If the ARC determines that a Chief Investigator and/or Indigenous Researcher Fellow has failed to meet the obligation to assess proposals assigned by the ARC for assessment, the ARC will notify the Administering Organisation in writing of that failure.

19.3 If a Chief Investigator and/or Indigenous Researcher Fellow does not undertake assessment of the assigned proposals within a period specified by the ARC of the notice referred to in clause 19.2 above, the Administering Organisation will be considered to be in breach of this Agreement and Funding for the relevant Projects.
including IRFs, on which the Chief Investigator and/or Fellow is listed as Specified Personnel under this Agreement may be terminated.

20 Assets

20.1 Assets purchased with Funding must be purchased for the exclusive purposes of the Project for the duration of the Funding Period.

20.2 The Administering Organisation shall establish and comply with its own procedures and arrangements for purchasing, installing, recording, maintaining and insuring all items of equipment purchased with the Funds.

20.3 The Administering Organisation shall ensure that any Personnel shall have first priority in the use and operation of equipment purchased for the Project and the Administering Organisation shall, so far as is practicable, permit persons authorised by the Minister to have priority access to that equipment in preference to other persons.

20.4 The ownership of any Asset purchased wholly or partly with the Funding shall be vested in the Administering Organisation, located on its campus and listed in its assets register unless:
   (a) otherwise specified in the Proposal;
   (b) the Project is terminated, in which case the Minister may, by notice in writing, require the transfer of any such item of equipment to the Commonwealth; or
   (c) the Project is transferred to another organisation in accordance with clause 14, in which case, subject to the agreement of both the Administering Organisation and the recipient Eligible Organisation under that clause, the equipment purchased with Funds provided under this Agreement for the relevant Project may be transferred in accordance with clause 14.8.

21 Intellectual Property

21.1 The Administering Organisation must adhere to an Intellectual Property policy, approved by the Administering Organisation’s governing body, which has as one of its aims the maximisation of benefits arising from research. The Commonwealth makes no claim on the ownership of Intellectual Property brought into being as a result of the Projects for which Funding is provided.

21.2 Unless otherwise approved by the ARC, the Administering Organisation’s Intellectual Property policy referred to in clause 21.1 must comply with the National Principles of Intellectual Property Management for Publicly Funded Research as amended from time to time and currently located on the ARC’s website.

21.3 The Administering Organisation shall at all times indemnify the Commonwealth, its officers, employees and agents (in this clause referred to as ‘those indemnified’) from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person in respect of any infringement (or alleged infringement) of Intellectual Property rights by the Administering Organisation, its employees, agents or subcontractors in the course of, or incidental to, performing the Project or the use by the Commonwealth of reports provided by the Administering Organisation under this Agreement.

21.4 The indemnity referred to in clause 21.3 shall survive the expiration or termination of this Agreement.

(h) to indemnify the Commonwealth in respect of any loss, liability or expense suffered or incurred by the Commonwealth arising out of or in connection with a breach of the obligations of the Administering Organisation under this clause, or any misuse of personal information by the Administering Organisation, or any disclosure by the Administering Organisation in breach of an obligation of confidence whether arising under the Privacy Act 1988 or otherwise;

(i) to ensure that any record (as defined in the Privacy Act 1988) containing personal information provided to the Administering Organisation by the Commonwealth or any other person pursuant to this Agreement is, at the expiration or earlier termination of this Agreement, either returned to the ARC or deleted or destroyed in the presence of a person duly authorised by the ARC to oversee such deletion or destruction; and

(j) to the naming or other identification of the Administering Organisation in reports by the Federal Privacy Commissioner.
22.2 The Administering Organisation shall immediately notify the ARC if the Administering Organisation becomes aware of a breach of its obligations under clause 22.1.

22.3 This clause survives the expiration or earlier termination of this Agreement.

22A Confidentiality

22A.1 Subject to clause 22A.2, the ARC agrees not to disclose any Confidential Information of the Administering Organisation, without the Administering Organisation’s consent.

22A.2 The ARC will not be taken to have breached its obligations under clause 22A.1 to the extent that the ARC discloses Confidential Information:

(a) to its officers, employees, agents, external professional advisers or contractors solely to comply with obligations, or to exercise rights, under this Agreement;
(b) to its internal management personnel solely to enable effective management or auditing of this Agreement or the National Competitive Grants Program or the Scheme;
(c) for a purpose directly related to the enforcement or investigation of a possible breach of any Commonwealth, State, Territory or local law;
(d) to the Minister, or in response to a demand by a House or a Committee of the Commonwealth Parliament;
(e) within the ARC, the Department or another government agency or authority, where this serves the ARC’s, the Department’s or the Commonwealth’s legitimate interests;
(f) as required or permitted by any other law, or an express provision of this Agreement, to be disclosed; or
(g) that is in the public domain other than due to a breach of this clause 22A.

22A.3 The Commonwealth warrants that, for a period of three years from the date of submission of the Final Report for the Project, it will consult with the Administering Organisation before any information which is contained in any reports related to the Project, and which the Administering Organisation has indicated is confidential and should not be disclosed, is disclosed to any person other than an officer, employee, agent or member of the ARC or the Minister. If disclosure is required to other persons, the Commonwealth will discuss the intended terms of disclosure with the Administering Organisation.

23 Compliance with Commonwealth Policies

23.1 The Administering Organisation shall, when using the Commonwealth’s premises or facilities, comply with all reasonable directions and ARC procedures relating to occupational health (including the Commonwealth’s smoke free workplace policy), safety and security in effect at those premises or in regard to those facilities, as notified by the Commonwealth or as might reasonably be inferred from the use to which the premises or facilities are being put.

23.2 The Administering Organisation shall comply with its obligations, if any, under the Equal Opportunity for Women in the Workplace Act 1999 and shall not enter into a subcontract with a subcontractor named by the Equal Opportunity for Women in the Workplace Agency as an employer currently not complying with that Equal Opportunity for Women in the Workplace Act 1999.
23.3 The Administering Organisation shall, in its dealings with its employees, have due regard to Commonwealth policies on employment, including the *Workplace Relations Act 1996*, and obligations under relevant occupational health and safety laws.

24 **Acknowledgments, Publications and Publicity**

24.1 Subject to commercial sensitivities or Intellectual Property considerations, the outcomes of Projects are expected to be communicated to the research community and, where appropriate and possible, to the community at large.

24.2 When, at any time during or after completion of a Project, the Administering Organisation publishes promotional material, books, articles, television or radio programs, newsletters or other literary or artistic works which relate to the Project and/or Fellowship, the Administering Organisation shall acknowledge, at a prominent place in the publication, the support of the ARC in a form acceptable to the ARC. Advice of acceptable forms of acknowledgement and use of the logo is provided on the ARC’s website.

25 **Administration of the Funding**

25.1 The Administering Organisation must maintain reasonable, up to date and accurate records relating to the Funding in general and the Project(s) conducted with the Funding, in particular to verify its compliance with this Agreement.

26 **Audit and Monitoring**

26.1 The Administering Organisation is responsible for monitoring the expenditure of the funding and certifying to the ARC that the Funding has been expended in accordance with this Agreement in the End of Year Report. If at any time, in the opinion of the Responsible Officer, the Funding is not being expended in accordance with this Agreement, the Administering Organisation shall take all action necessary to minimise further expenditure in relation to the Project and inform the ARC immediately.

26.2 The ARC may conduct ad hoc on-site reviews in relation to financial and other reports to ensure that the terms of this Agreement are being, or were, met and that reports submitted to the ARC are an accurate statement of compliance by the Administering Organisation. Persons nominated by the ARC to conduct these reviews are to be given full access by the Administering Organisation, if required, to all accounts, records, documents and premises in relation to the Funding and the administration of the Funds in general.

27 **Access to Premises and Records**

27.1 The Administering Organisation shall, at all reasonable times, give to the CEO or any person authorised in writing by the CEO:

(a) unhindered access to:

i. the Administering Organisation’s employees;

ii. premises occupied by the Administering Organisation; and

iii. Material; and

(b) reasonable assistance to:

i. inspect the performance of any or all Projects;

ii. locate and inspect Material relevant to any Project or the Administering
Organisation’s compliance with this Agreement or the Scheme; and

iii. make copies of any such Material and remove those copies and use them for any purpose connected with this Agreement or the Scheme.

27.2 The access rights in clause 27.1 are subject to:

(a) the provision of reasonable prior notice by the ARC; and

(b) the Administering Organisation’s reasonable security procedures.

27.3 If a matter is being investigated which, in the opinion of the CEO or the ARC, or any person authorised in writing by the CEO, may involve an actual or apprehended breach of the law, clause 27.2 will not apply.

27.4 Upon receipt of reasonable written notice from the CEO or the ARC, the Administering Organisation shall provide any information required by the Commonwealth for monitoring and evaluation purposes.

27.5 Nothing in clause 27.1 to 27.4 inclusive affects the obligation of each party to continue to perform its obligations under this Agreement unless otherwise agreed between them.

27.6 The Auditor-General, or a delegate of the Auditor-General for the purpose of performing the Auditor-General’s statutory functions, at reasonable times and on giving reasonable notice to the Administering Organisation, may:

(a) require the Administering Organisation to provide records and information which are directly related to this Agreement;

(b) have access to the premises of the Administering Organisation for the purposes of inspecting and copying documentation and records, however stored, in the custody or under the control of the Administering Organisation which are directly related to this Agreement; and

(c) where relevant, inspect any Commonwealth Assets and Commonwealth Material held on the premises of the Administering Organisation.

27.7 This clause shall survive the expiration or earlier termination of this Agreement.

28 Reporting Requirements

28.1 The Administering Organisation must submit the following reports and statements, in accordance with this Agreement and the Act, in the format required by the ARC, if specified.

28.2 End of Year Report

(a) The Administering Organisation shall submit an End of Year Report by 31 March in the year following each calendar year for which the Funding was awarded. The ARC will provide the Administering Organisation with a proforma for this report.

(b) The End of Year Report will contain information on all expenditure for that year under the Approved Proposal, on a Project by Project basis, including:

i. any unspent Funds to be recovered by the Commonwealth;

ii. any unspent Funds that the Administering Organisation is seeking to have carried over into the next year;

iii. the reasons why the unspent Funds are required to be carried over; and

iv. additional claims for relocation as provided for in Schedule D.
(c) Under subsection 58(1)(e) of the Act, Funds provided by the Commonwealth to the Administering Organisation which are not spent during the year of the Funding period to which those funds were allocated may be carried over where approved by the Minister. The Administering Organisation must request this approval in the End of Year Report.

(d) Where a carry over is requested for carry over of 75% or more of the Funds allocated for a calendar year (excluding any Funds carried over from the previous calendar year), separate written justification must be provided.

(e) Funds may be carried over more than twelve months only in exceptional circumstances and subject to approval by the Minister. Separate written justification must be provided in this instance.

28.3 Progress Report

(a) Unless otherwise approved by the ARC, the Administering Organisation shall ensure that Project Leaders provide Progress Reports in respect of each ongoing Project by 31 January of each year, except in the first year of funding, on a pro-forma which will be made available on the ARC’s website.

(b) The ARC may review the outcomes reported against the objectives of the Project as stated in the Proposal, or any approved revised budget, aims and research plan. Any Chief Investigators or Indigenous Researcher Fellows who were involved in a Project for which a Progress Report was deemed inadequate or unsatisfactory may be contacted for further information.

(c) If the ARC is not satisfied with the progress of any Project, further payment of Funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved within a reasonable period of time, the Funding may be terminated and all outstanding monies will be recovered by the ARC.

(d) Unsatisfactory progress on any Project may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators or Indigenous Researcher Fellows and will be taken into account in the assessment of those proposals.

28.4 Final Report

(a) Unless otherwise approved by the ARC, the Administering Organisation shall ensure that Final Reports are provided for each Project within six months of the final payment of Funds by the ARC for the Project or within six months of the final carry over of Funds approved by the ARC, whichever is the later. The proforma for this report will be made available by the ARC. The ARC may review the outcomes against the objective(s) of the Project as stated in the Proposal or any approved revised budget, aims and research plan.

(b) If a Final Report is considered by the ARC to be inadequate, the Chief Investigators and Indigenous Researcher Fellows who were involved in the Project may be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the Chief Investigators and Fellows and may be taken into account in the assessment of those proposals.
(c) If the Final Report is not submitted on time this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of the Chief Investigators and Indigenous Researcher Fellows and may be taken into account in the assessment of those proposals.

(d) Proposals submitted under any ARC Scheme by, or on behalf of any Chief Investigators or Indigenous Researcher Fellows on a Project for which the Final Report is outstanding may be deemed ineligible for approval or funding.

28.5 Audited Financial Statement

(a) In accordance with Section 58 of the Act, the Administering Organisation shall submit an Audited Financial Statement by 30 June for each year following the calendar year for which the Funding was awarded.

(b) In completing the Audited Financial Statement, the Administering Organisation must ensure that the amount shown in that statement as ‘approved carry forward funds’ is the same as the amount (if any) that the Administering Organisation sought and approval was given to carry over in the End of Year Report.

29 Copyright in Proposal and Reports

29.1 Copyright in any Proposal and all reports provided under this Agreement will vest in the Administering Organisation at the time of creation but the Administering Organisation grants to the Commonwealth a permanent, irrevocable, royalty-free, non-exclusive licence to use and reproduce information contained in a Proposal or a report and publish them on a non-profit basis for any purpose the Commonwealth sees fit.

29.2 If a Proposal or a report contains information belonging to a third party, the Administering Organisation must ensure that it has in place all necessary consents sufficient to allow the ARC to deal with the information or any report in accordance with this Agreement.

30 Recovery of Unspent Funds or Overpayments of Funds

30.1 Any unspent Funds may be recovered by the Commonwealth under paragraph 58(1)(c) of the Act. Any amount of funding paid to the Administering Organisation which exceeds the amount of financial assistance that is properly payable to it may be recovered under paragraph 58 (1)(d) of the Act.

30.2 The Commonwealth may offset the unspent or overpaid Funds against the total of any further Funds paid to the Administering Organisation.

31 Indemnity

31.1 The Administering Organisation shall at all times indemnify the Commonwealth, its officers, employees and agents (in this clause referred to as ‘those indemnified’) from and against any loss (including legal costs and expenses on a solicitor/own client basis) or liability, reasonably incurred or suffered by any of those indemnified arising from any claim, suit, demand, action or proceeding by any person against any of those indemnified where such loss or liability was caused by a wilful, unlawful or negligent act or omission of the Administering Organisation, its employees, agents or subcontractors in connection with this Agreement.
31.2 The Administering Organisation’s liability to indemnify the Commonwealth under clause 31.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.

31.3 The indemnity referred to above shall survive the expiration or termination of this Agreement.

32 Insurance

32.1 The Administering Organisation shall effect and maintain adequate insurance or similar coverage to cover any liability arising as a result of its participation in Discovery Indigenous Researchers Development Projects and, if requested, provide the Commonwealth with a copy of the relevant policies or when appropriate Certificate of Currency. The Administering Organisation shall be responsible for effecting all insurances required under Worker’s Compensation legislation and for taking all other action required as an employer.

Research special conditions

C1. *Importation of Experimental Organisms:* The Administering Organisation must ensure that, before experimental organisms are imported into Australia for the purposes of a Project, they or the Chief Investigator of the Project must obtain agreement in principle for the importation from the appropriate Commonwealth and State authorities.

C2. *Research Involving Humans or Animals:* If any Project conducted by the Administering Organisation involves research on or involving humans or animals, the Administering Organisation shall ensure that the codes adopted for these purposes by the National Health and Medical Research Council are complied with and that the Project may not commence without clearance from the Administering Organisation’s Ethics or Biosafety Committee (or equivalent) and from any other relevant authority outside of the Administering Organisation.

C3. *Deposition of Biological Materials:* Any biological material accumulated during the course of a Project shall be transferred to an Australian body with statutory responsibility for control of such material. If no such body is available to take control of the biological material then the Administering Organisation shall dispose of the material in accordance with the Administering Organisation’s established safeguards.

C4. *Genetic Manipulation:* If a Project involves the preparation and/or use of recombinant nucleic acids constructed *in vitro* from sources that do not ordinarily recombine genetic information, approval in writing by the Administering Organisation’s Biosafety Committee (or equivalent) or the Office of the Gene Technology Regulator (OGTR) must be obtained.

C5. If a Project involves, or is concerned with the use of, recombinant DNA techniques, the Administering Organisation shall ensure that the principles and guidelines established and approved from time to time by the Australian Government’s Recombinant DNA Monitoring Committee are observed.

C6. If a Project involves or concerns the use of recombinant DNA techniques on animals or humans then, before the proposed research commences, the Administering Organisation shall ensure that the research has been approved by the relevant Ethics or Biosafety Committee (or equivalent) of the Administering Organisation. The Administering Organisation shall retain all Certificates relating to the above and will provide such evidence to the Scheme Coordinator if required to do so.

C7. *Ionising Radiation:* If a Project involves the use of ionising radiation, the Administering Organisation shall ensure that any personnel performing procedures involving ionising radiation are appropriately trained and hold a relevant current licence from the appropriate State authority. The Administering Organisation shall retain all such licences and shall provide them to the Scheme Coordinator if required to do so.

C8. *Social Science Data Sets:* Any digital data arising from a Project involving research relating to the social sciences should be lodged with the Australian Social Science Data Archive (ASSDA) for secondary use by other investigators. This should normally be done within two years of the conclusion of any fieldwork relating to the Project research. If a Chief Investigator is not intending to do so within the two-year period, he/she should include the reasons in the Project’s Final Report.
SCHEDULE D

Special conditions applicable for Projects with an IRF element

D1 Commencement of IRF

D1.1 The Administering Organisation must ensure that Indigenous Researcher Fellows commence their IRF in accordance with clauses 10 and 11 of this Agreement.

D1.2 The Administering Organisation must ensure that an Indigenous Researcher Fellow does not commence the IRF until after he/she has been awarded their PhD.

D1.3 Where the Indigenous Researcher Fellow is one of several Chief Investigators on a Project and it is proposed to begin the Project before the Fellow can commence on the Project, approval will need to be obtained from the ARC for the Project to commence. The ARC will ascertain whether the Project is viable without the Fellow’s participation.

D1.4 If the ARC does not consider the Project viable without the Indigenous Researcher Fellow’s contribution to the Project and the Fellow cannot commence on the Project in accordance with clauses 10 and 11 of this Agreement, Funding for the Project as a whole will be terminated.

D2 Use of the Funding – Indigenous Researcher Fellow’s Salary

D2.1 The Administering Organisation must provide salary funding to each IRF holder named in Schedule A at least the level of the ARC notional IRF salary and on-costs as listed in Schedule B.

D2.2 The tenure of an IRF is up to two years and is subject to the receipt of satisfactory annual Progress Reports. Subject to clauses D4.5 and D4.6 below, IRFs will not be extended beyond two years.

D2.3 The Administering Organisation shall make up any shortfall between the ARC notional IRF salary and on-costs, and the prevailing salary levels for other academic staff at a similar level, from sources other than these Funds, so that the Indigenous Researcher Fellows are no worse off financially than their peers.

D3 Use of the Funding - Relocation Allowance

D3.1 The Administering Organisation must make reimbursement payments from the Funding to Indigenous Researcher Fellows, including dependants, for relocation costs (travel expenses (see clause D3.2 below) and removal of household items only) on provision of full particulars of mode and time of travel and the receipts for all other payments e.g. removal expenses of household items. The Administering Organisation should make such claims to the ARC within 12 months.

D3.2 The Administering Organisation must ensure that travel expenses, where payable, do not exceed the cost of the cheapest direct airfare for the Indigenous Researcher Fellow and their dependants. Where a Fellow elects to travel by car, the Commonwealth will provide a mileage allowance up to the maximum equivalent of the cheapest direct airfare. On completion of the IRF, the Fellow will be entitled to the same return travel provisions provided that the Fellow has not obtained subsequent employment in Australia for a period exceeding twelve months.

D3.3 Reimbursement of relocation costs will be provided to the Administering Organisation by the Commonwealth, provided that the claim is processed within the year on the
basis of a claim submitted providing the claim is processed within the year the claim is
made and receipts are provided to the ARC. All claims are to be made in Australian
dollars.

D3.4 The ARC will not provide reimbursement for items including, but not limited to: costs
for locating new accommodation, rental bonds, new household furniture, telephone
and other utility connections, pet housing, and other effects considered typical
household expenses.

D3.5 The Administering Organisation may reimburse Indigenous Researcher Fellows and
claim from the Commonwealth up to the following amounts for travel and removal of
household items expenses to be paid from these Funds:

(a) a maximum of $17,000 for a Fellow who relocates from the USA;
(b) a maximum of $14,000 for a Fellow who relocates from UK / Europe / Asia
(Northern Hemisphere);
(c) a maximum of $11,000 for a Fellow who relocates from NZ / Asia (Southern
Hemisphere); and
(d) a maximum of $8,000 for a Fellow who relocates within Australia.

D3.6 For the purposes of relocation entitlements, a dependant is defined as a person who
moves residence with the Indigenous Researcher Fellow. A spouse who transfers
employment to the city of the Administering Organisation can be regarded as a
dependant. A child continuing to study at the former city and not intending to live
with the Fellow cannot be regarded as a dependant.

D4 Conditions of Employment of Indigenous Researcher Fellows

D4.1 Indigenous Researcher Fellows may not hold another position either at the
Administering Organisation or at another Eligible Organisation. Before an IRF
commences, the Administering Organisation must confirm that the Fellow does not
hold a substantive tenured position at an Eligible Organisation (including at the
Administering Organisation).

D4.2 The Administering Organisation shall recognise Indigenous Researcher Fellows as
academic staff and incorporate them fully into the activities and academic life of the
Administering Organisation, but should note that limits do apply (see clause D4.3).
Unless the Minister otherwise determines, the provision of salaries, recreation leave,
sick leave and other conditions of employment for Indigenous Researcher Fellows
shall be those of the Administering Organisation.

D4.3 Notwithstanding clause D4.1, an Indigenous Researcher Fellow may undertake
teaching, research supervision or academic duties in addition to performing the
Project, but only where it enhances, rather than detracts from, the Fellow’s research.
However, Fellows may not accept additional appointments or remuneration without
the prior agreement of the Administering Organisation and the Minister.

D4.4 The Administering Organisation shall ensure that, during the tenure of the IRF, an
Indigenous Researcher Fellow shall be entitled to leave of absence for recreation at the
rate of four weeks per annum, to be taken at any time by arrangement between the
Fellow and the Administering Organisation. However, the Commonwealth will not
provide additional funds to cover accrued leave proposed to be taken after the
Fellowship period has expired or been terminated. Fellows should therefore take their
recreation leave during the period of Fellowship tenure.
D4.5 The Administering Organisation shall ensure that eligible Indigenous Researcher Fellows are entitled to up to 14 weeks' paid maternity leave, in addition to the duration of their Fellowship. The Commonwealth will provide up to 14 weeks' additional funding for this purpose. The normal mechanism for claiming the additional Funding monies for this purpose is through the End of Year Report or submission of a “Variation of Funding Agreement” request.

D4.6 The Administering Organisation shall ensure that eligible Indigenous Researcher Fellows are entitled to take up to two weeks’ paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver. The Commonwealth will provide up to 2 weeks’ additional funding for this purpose.

D4.7 The Indigenous Researcher Fellow may take a total of 12 months' leave during the tenure of the Fellowship where it is in accordance with the Administering Organisation's practice, using accrued leave or leave without pay.

D4.8 ARC Fellow salaries include a 28 per cent loading to cover salary-related on-costs, including payroll tax, workers’ compensation, leave loading, long-service leave, non-contributory and contributory superannuation, however, excludes items such as extended leave and severance pay. On-costs that exceed 28 per cent must be met by the Administering Organisation.

D4.9 Indigenous Researcher Fellows may apply in Discovery Projects for an Australian Postdoctoral Award, Linkage Projects for an APDI, or Linkage—Australian Postdoctoral Award (CSIRO) for an Australian Postdoctoral Award (CSIRO) in the last year of their current IRF.

D5 Infrastructure

D5.1 The Administering Organisation shall provide Indigenous Researcher Fellows with the same access to infrastructure funds as applies to academic staff at the same level within the Administering Organisation and afford them equal status with similar staff for the provision of accommodation, access to necessary laboratory and workshop facilities, adequate time on the Administering Organisation’s computer and other equipment, stationery, photocopying and typing services. The Administering Organisation is also required to provide reasonable time on major equipment necessary for the conduct of the IRF research program.

D6 Suspension of an IRF

D6.1 An Indigenous Researcher Fellow may apply for a suspension of the Fellowship for a period of up to twelve (12) months in total during the tenure of the IRF. This may occur if, for example, the Fellow is offered a short-term teaching or research position. In such a case, the work to be carried out would need to be closely related to the research being undertaken under the IRF.

D6.2 If the proposed suspension is to commence after the first twelve (12) months of the Project and is not proposed to be longer than six (6) months duration, the Administering Organisation may, at its discretion, approve the suspension.

D6.3 If the proposed suspension is to commence within the first twelve (12) months of the Project or is more than twelve (12) months’ duration, the Responsible Officer must apply to the Scheme Coordinator to seek the Minister’s approval of the suspension.

D6.4 Suspensions for any other purpose, or for periods greater than six (6) months’ duration, or which commence within the first twelve (12) months of the Project,
without the written approval of the Minister will be a breach of this Agreement and will result in the immediate termination of the IRF.

**D7 Relinquishment of an IRF**

D7.1 The Administering Organisation shall require the Indigenous Researcher Fellow to give one month’s notice to the Administering Organisation if they intend to relinquish the IRF.

D7.2 If an Indigenous Researcher Fellow relinquishes the award, or is not able to continue the Project, that fact must be reported to the ARC by the Administering Organisation immediately.

D7.3 The Administering Organisation shall advise the ARC Scheme Coordinator of the relinquishment of an IRF immediately by submission of a “Variation of Funding Agreement” request.

D7.4 If the ARC does not consider the Project viable without the Indigenous Researcher Fellow’s contribution to the Project, the Project as a whole will be terminated and the Commonwealth may recover all unspent funds and any funds not spent in accordance with this Agreement.

D7.5 If the ARC does consider the Project to be viable without the Indigenous Researcher Fellow’s contribution, the Fellowship component of the Project may be terminated and the Commonwealth may recover any unspent Funds relating to the Fellowship for that Fellow.
